LEGO® Builder

UN VALIENTE AMIGO AMARILLO

Cuando se le llama a la acción, Bumblebee (apodado cariñosamente Bee) es un Autobot leal, valiente, feroz y ágil, conocido por sus impresionantes habilidades de combate y su férrea dedicación a proteger a la humanidad. Desde que se presentaron por primera vez los populares robots de juguete Transformers en 1984, este personaje amarillo y negro de modestas dimensiones ha cautivado los corazones de públicos de todas las edades en innumerables aventuras, desde cómics y videojuegos hasta dibujos animados y una exitosa franquicia cinematográfica. A pesar de su tamaño, Bumblebee muestra un inquebrantable espíritu heroico y es la encarnación máxima del altruismo. Por eso, y mucho más, era lógico que siguiera a LEGO® Optimus Prime en la serie LEGO Transformers.

EL MEJOR AMIGO DE UN HUMANO

Bumblebee tiene una intensa conexión con la Tierra y la humanidad. De hecho, algunos de sus mejores amigos son humanos, a quienes ama y ofrece la misma feroz protección que a sus compañeros Autobots: pese a su escasa estatura, el pequeño robot es uno de los más valientes y le sobran agallas para derribar incluso al enemigo más formidable.

Optimus Prime no podría haber pedido un amigo y aliado más dedicado en su lucha contra los Decepticons. Inteligente, valiente y, con frecuencia, más rápido de lo que imaginas, está dispuesto a hacer lo que haga falta para proteger a la humanidad.

FUNCIÓN: EXPLORADOR

Fuerza: 2
Inteligencia: 8
Velocidad: 4
Resistencia: 7

Rango: 7
Valentía: 10
Potencia de fuego: 1
Habilidad: 7

IMPRESIONES DEL EQUIPO DE DISEÑO DE LEGO®

"Bumblebee es un personaje adorable. Queríamos crear un modelo que no solo se pareciera a él y se transformara como él, sino que también rindiera múltiples homenajes a su larga trayectoria. Además de su lanzador de iones azul y su mochila propulsora semejante a las alas de una abeja, encontrarás detallitos menos evidentes por todo el modelo, como un pequeño elemento que representa una abeja oculto en alguna parte o pegatinas y decoraciones impresas con un significado especial. La placa de datos coincide en estilo con la que incluye el set LEGO® Optimus Prime (10302), así que, si tienes ambos sets, ¡quedarán espectaculares expuestos juntos!".

Samuel Liltorp Johnson,
jefe de diseño de LEGO® Icons

Optimus Prime (10302) no incluido

Para este set se ha creado un nuevo ladrillo en arco 4x4. El diseño acentúa las formas más suaves y redondeadas de Bumblebee, tanto en su versión de vehículo como en la configuración de robot. (El set incluye un total de 8 de estos ladrillos).

Las pegatinas del parachoques son una muestra de la naturalidad con la que Bumblebee se desenvuelve en las calles. Llevan las inscripciones "I <3 Cybertron" (una referencia a su planeta natal) y "Roll Out" (el característico eslogan de Optimus Prime, en inglés). La letra o de la palabra *Roll* tiene un detalle que recuerda al juguete original de Bumblebee.
